The image shows a web browser window displaying the 'Nebraska Chemigation Training Registration Form'. A blue callout bubble with white text is positioned at the top, containing the following instructions: 'Enter your identification information into the Nebraska Chemigation Training Registration Form. Click on your citizenship status for Item 13. Do not enter your name in the box for Item 14. Print off form when completed and then Click on Submit Questionnaire'. A red circle is drawn around the left side of the form, highlighting items 1 through 12. A blue arrow points from the callout bubble to the 'Recertification Application' radio button in item 2. The form fields are as follows:

- 1 My NDEQ Certification Number for recertifying is: (5 digit number)
- 2 Check one of the following:
 - ☒ Recertification Application
 - ☐ Retest
- 3 Last Name
- 4 First Name
- 5 Middle Initial
- 6 Mailing Address
- 7 City
- 8 State
- 9 Zip
- 10 Phone Number
- 11 County of Residence
- 12 The Expiration Date for my recertification certificate is (mm/dd/yyyy).

Enter your existing '**Chemigation Certification Number**' on the yellow card you received from the Nebraska Department of Environmental Quality. It should be a 5 digit number.

Click on '**Recertification Application**'

Enter the remaining information to provide your legal name as it appears on your certification card, mailing address, phone number, county of residence, date your certification expires (be sure to follow the date format to the right (mm/dd/yyyy)).

State law requires that we certify that you are a US citizen or you can legally work in Nebraska. Click in the small circle that represents your status. Drop down and enter the current date (mm/dd/yyyy).

Print your form off by following the directions on the registration form. **After** printing form off, Click on '**Submit Questionnaire**'.

To begin, click on Nebraska Chemigation Training at the bottom of the page. It is an orange rectangle.

General Information

The training program consists of 9 Chapters that must be completed plus the appendices from the training manual. The text material is the same material presented in your printed Chemigation Training Manual. However, if you do not get the answers correct in the study questions you may want to go back and review the chapter again.

To begin the training, Click on 'Nebraska Chemigation Training' in the orange colored box. It will take you back to the first page.
